

The Essential Rewards (ER) Program JUST GOT WAY BETTER!!

I wanted to be sure that you knew about Young Living's Essential Rewards (ER) Program and the exciting enhancements that will be made to it on September 1, 2016!

Benefits of Essential Rewards

Essential Rewards (ER) is Young Living's monthly autoship program where you commit to ordering at least 50PV each month (50PV usually equates to \$50 before tax and shipping). There is no cost to sign up for this program. ER is not required, but it does have some really great benefits:

- Earn free product credits on all your ER orders (see below). You can begin cashing in your free product credits after you have been enrolled in ER for three consecutive months.

PREVIOUS ER PROGRAM	CHANGES TO THE ER PROGRAM STARTING SEPTEMBER 1
Months 1-6: 10% back	Months 1-3: 10% back
Months 7-12: 15% back	Months 4-24: 20% back
Months 13+: 20% back	Months 25+: 25% back
	<i>*On September 1, every existing ER member will be rewarded percentage points based on how many consecutive ER orders have already processed. For example, if members have been on ER for 18 consecutive months, they will start earning 20 percent back on each ER order. If members have been on ER for 30 consecutive months, they will start earning 25 percent back on each ER order.</i>
No gifts from Young Living.	Gifts from Young Living at 3, 6, and 9 months. Special gift of 'Loyalty' essential oil blend at 12 months.
	<i>*On September 1, every existing ER member and every new ER member will begin at month 0 for gift qualification.</i>

- Less expensive shipping.
- While you can add whichever products you want to your ER order each month, there are also special ER kits that are available that are not in the regular catalog. These kits offer product at even more discounted rates (ex: Thieves Essential Rewards Kit, NingXia Red Essential Rewards Kit, etc).
- Young Living's monthly promotion always includes a free bonus oil if your order is an ER order!

Change Your ER Order Every Month

You can change your ER order every month (and should, depending on what you need). It just needs to be changed by midnight on your ER date and has to be at least 50PV.

Cancel Anytime

You can cancel ER at any time, but you do need to call in/live chat to cancel. Simply emptying out the items in the ER order WILL NOT cancel your autoship. Young Living will just send you what you ordered the previous month. If you cancel, be sure to cash in your product credits first or you will lose them!

How to Sign Up

Go to www.youngliving.com, select your country (if prompted), and sign in with your username (or member #) and password. Then go to "Essential Rewards." This video will show you how to change/place your Essential Rewards order each month: <https://vimeo.com/106766257>
